Powerful LED OUTDOOR spotlights for the effectful, colourful illuminating of numerous types of surfaces. By means of the adjustable mounting bracket as well as IP65 rating, the spot is allows outdoor installation on walls, ceilings and floors. Available in pure or warmwhite light colour version, the electrical connection of the spot is made directly to 230V mains supply via the incorporated driver and pre-installed connection lead with mains plug. By the infrared remote control you can switch between forty-three colour changing programs and static colours. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
