| Light distribution type 3    | rotationally symmetric                                                              |

This wall and ceiling lamp of the SITRA 360 series is made from aluminum and is suitable for almost all outdoor lighting requirements by an incorporated, adjustable lamp head and IP44 rating. The electrical connection is made directly via 230V mains supply. The SITRA 360 series further includes floor and spike lamps making it universally applicable. This luminaire is compatible with bulbs of the energy classes: B - A++
