The H-POL SINGEL indirect radiating floor stand is made of aluminium and plastic. With protection class IP55, it is suitable for outdoor use. Thanks to the 8W LED, the luminaire is ideal for use as a pathway light. The product is designed for floor installation and is through-wireable. A large mounting pot is available for optimum mounting in the earth. Thanks to the built-in LED driver, it can be connected directly to the 230V mains supply.
