Light distribution type 1	direct
Light distribution type 3	rotationally symmetric

The wall luminaire of the MYRA series is made from aluminum and a glass that covers the bulb. The lamp head is adjustable. Rated IP55, it is suitable for outdoor use. Available in different colour versions, the electrical connection of the luminaire is made directly to 230V mains supply. The MYRA series further includes floor and display luminaires making it universally applicable. This luminaire is compatible with bulbs of the energy classes: E - A++
