With the double-headed, aluminum-made lamp head NEW MYRA both spots are adjustable. Rated IP44 it is suitable for outdoor use. The electrical connection of the luminaire is made directly to 230V mains supply. By the optionally available accessory such as extension rod, surface base and spikes, the luminaire is individually configurable. As an optional accessory we offer a concrete anchor set and hanger bolt kit. The MYRA series further includes wall and display fixtures making it universally applicable. This luminaire is compatible with bulbs of the energy classes: A - A++
