ranking	100
Catalogue page	BIG WHITE 2017: 766

Extra-narrow LED strip in 3 m length for connection to a 24V DC power supply. The rear side is fitted with adhesive tape to make for simple installation. The strips come in several colours of light. To obtain constant light output over long lengths, the strips should be powered on both sides. For lengths in excess of 3 m, a new feed-in must be made.
