SLV DEL F D RGB filigree, modular plug & play light bar system made of anodised aluminium and plastic. Feed-in cables, flexible connectors and mounting clips are available as accessories. Thanks to the built-in plug contacts, the profiles can be connected directly to each other. The electrical connection of the profiles, which come in several lengths, is done to a separately available 24V DC power supply. A separate controller is needed to control the RGB effects. This luminaire includes built-in LED lamps. EEL: A - A++. The lamps in the luminaire cannot be replaced.
