Wall arm - Single wall-mounted fitting

Product code:

1129

Technical description:

Single wall-mounted fitting made up of an attachment and a U-shaped bracket. The diecast-aluminium intermediate attachment is subjected to acrylic painting. The U-shaped bracket is made of galvanised painted bent sheet steel. The U-shaped bracket is coupled to the attachment by means of 2 stainless-steel screws M12x30. Two more stainless-steel screws M12x30 make it possible to fix the projector to the wall-mounted fitting. The fitting/projector assembly is fixed thanks to two screws M12x40.

Installation:

Wall application.

Dimension:

82 x 197 mm h 75 mm

Colour:

Grey (15)

Complies with EN605981 and pertinent regulations
