Sistema Easy MH-HAL - Recessed fitting with transparent glass 300 W QT-DE

Attention! Code out of production

Product code:

3933

Technical description:

Diecast aluminium recessed fitting designed to use mains voltage halogen lamps (QT-DE). The diecast structure acts as a heat dissipater, consequently optimising performance levels and ensuring outputs of up to 75%. The polished superpure aluminium reflector is made up of two parts. The first part, just above the light source, acts as a flow director, while the other, fastened to the fitting by means of a system of counter springs, can be removed for quick effortless maintenance. The component box, separate from the fitting, is designed for fast-connection wiring. The fastening springs guarantee excellent anchoring to false ceilings ranging from 1 to 25 mm in thickness. The fitting is designed for installation in public environments and can be positioned on surfaces made with inflammable materials.

Installation:

Recessed with 212-mm diameter holes.

Dimension:

D= 232 mm h= 200 mm

Colour:

White/Aluminium (39)|Grey/Aluminium (78)

Mounting:

Ceiling recessed

ø 232

ø 212

Complies with EN605981 and pertinent regulations
