**Metro - with electronic transformer DALI 100 W Q 111**

**Product code:**

4898

**Technical description:**

Spotlight for interiors, made of reinforced thermoplastic fork, lamp-holding ring and lamp-holder cover made of die-cast aluminium. Installed in DALI mains voltage electrified track by means of trifase adapter. The product is complete with polycarbonate transformer-holding compartment fixed to the adapter near to the track. The mechanical lock system for aiming the optical assembly is situated at one end of the fork and enables to tilt the spotlight by approx. 100° perpendicularly to the horizontal axis. The spotlight can be rotated by approx. 340° around the vertical axis. Several accessories can be used thanks to a special ring to be ordered separately.

**Installation:**

On DALI electrified track

**Dimension:**

L 164 mm - D 133 mm - H 234 mm

**Colour:**

White (01)|Grey/Black (74)

**Weight [Kg]:**

0,6

**Mounting:**

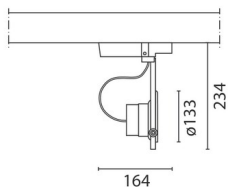

Dali track

**Wiring:**

DALI electronic components for halogen lamp contained in box integrated into the fitting.

**Notes:**

The DALI spotlights are provided with special adapter and are only compatible with iGuzzini DALI tracks.

Complies with EN605981 and pertinent regulations
