Lumen - with electronic transformer and dimmer 50 W 12 V QR CBC 51**Product code:**

6384

Technical description:

Adjustable projector with adaptor for installation on mains voltage tracks made of aluminium and thermoplastic material. Version with QR CBC 51 50W low voltage lamp has a polycarbonate transformer compartment located next to the track and connected to the adapter. The fitting can rotate 360° around the vertical axis, with inclinations of 0°/90° with respect to the horizontal plane, with mechanical blocking mechanisms for precision aim on the vertical axis and horizontal plane. An accessory-holder ring can be added to the projector, and it can be installed with the 9448 adaptor without tools. The accessory-holder ring can fit up to three flat accessories at once. The reflector can be removed without tools thanks to the special bayonet mechanism. IP40 for optical assembly with optional glass diffusers.

Installation:

Electrified track or ceiling/wall installation.

Dimension:

L 69 mm - D 50 mm - H 155 mm

Colour:

White (01)|Grey/Black (74)

Mounting:

Three circuit track

Wiring:

Dimmable electronic components for halogen lamps contained inside the special box that is equipped with the fitting.

Complies with EN605981 and pertinent regulations
