**Lumen - with electronic control gear and dimmer 100W 12V QR 111****Product code:**

6391

**Technical description:**

Adjustable projector with adaptor for installation on mains voltage tracks made of aluminium and thermoplastic material. Version with 100W QR 111 low voltage halogen lamp has a polycarbonate transformer compartment located next to the track and connected to the adapter. The fitting can rotate 360° around the vertical axis, with inclinations of 0°/90° with respect to the horizontal plane, with mechanical blocking mechanisms for precision aim on the vertical axis and horizontal plane. IP40 for optical assembly with optional glass diffusers.

**Installation:**

Electrified track or ceiling/wall installation.

**Dimension:**

L 126 mm - D 111 mm - H 255 mm

**Colour:**

White (01)|Grey/Black (74)

**Mounting:**

Three circuit track

**Wiring:**

Electronic components for low voltage halogen lamps contained inside the special box that is equipped with the fitting.

Complies with EN605981 and pertinent regulations
