## Light Up Garden - 70W HST/HIT E27

### Product code:

7172

### Technical description:

Ground-recessed luminaire, designed to use sodium and metal halide (CDO-TT) lamps. Supplied with Flood optic. The lamp may be tilted by a maximum of 25°, producing an asymmetrical light flow emission. Consists of a circular body and a frame made of AISI 304 stainless steel, with surface treatment to increase resistance to corrosion. The product has an 8 mm thick tempered sodium - calcium closing glass which resists a static load of 1000 kg, plus a black EPDM seal. The reflector is 99.98% super-pure aluminium with polishing, anodising and surface sandblasting treatment. With aluminium component-holding plate. The base of the product is fitted with a stainless steel PG16 cable clamp, complete with 1 m power cable and anti-transpiration device. The frame, glass and optical assembly together guarantee resistance to a static load of 1000 kg. All external screws used are made of A2 stainless steel. &nbsp;

### Installation:

Fitted into the ground.

### Dimension:

D 220mm H 249mm

### Colour:

Steel (13)

### Weight [Kg]:

4,8

### Mounting:

Ground recessed

### Wiring:

Luminaire equipped with electromagnetic ballast and ignitor

### Notes:

Accessories available: stainless steel protective grille and anti-theft screws kit.&nbsp;

Complies with EN605981 and pertinent regulations
