## Shuttle - Spotlight with electronic transformer and framer 50 W 12 V QR-CBC 51

Attention! Code out of production

### Product code:

8475

### Technical description:

Low voltage floodlight for indoor lighting made of die cast aluminium. The fitting is composed of a body housing the lampholder and the transformer and of a cylinder housing the light source. The floodlight is provided with an optical system with lens used to frame the emitted light. The adapter is fitted to the floodlight through a die cast aluminium rod which allows rotation of the fitting by 330° horizontally and 90° vertically.

### Installation:

Fitted to an electrified track through a multi-phase adapter or to the ceiling by base.

### Dimension:

260x193 mm

### Colour:

White (01)|Black (04)|Grey/Black (74)

### Weight [Kg]:

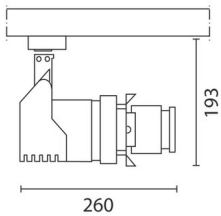

2,05

### Mounting:

Three circuit track

### Wiring:

Complete with built-in transformer for 50 W dichroic halogen lamps.

Complies with EN605981 and pertinent regulations
