## Trimmer - Spotlight w/a 40° 150W HAL QT32

### Product code:

8591

### Technical description:

Luminaire for 1x150W QT32 mains voltage halogen lamp. Made up of adapter for mains voltage electrified tracks, support arm and optical assembly. The support arm is made up of two diecast aluminium elements joined with M3 screws and houses the power supply cable for the lamp. The diecast aluminium optical assembly is joined to the lower end of the arm with M5 screws on conic steel washers. It can be inclined by 100° with screw locking device and rotated by 340° about the vertical axis with continuous friction and screw locking device. 99.85% superpure aluminium optics with polishing and sandblasting finish and PPS multigrooves.

### Installation:

On iGuzzini mains voltage electrified tracks.

### Dimension:

D =140mm L =185mm H =266mm

### Colour:

White (01)|Black (04)|Grey/Black (74)

### Weight [Kg]:

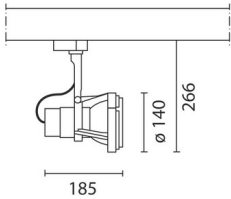

0,8

### Mounting:

Three circuit track

### Wiring:

Directly connected to the 230 V mains supply.

Complies with EN605981 and pertinent regulations
