9011

Technical description:

Fixed luminous module designed for fluorescent lamps with symmetrical light distribution of general-light kind. The fitting is made of painted sheet steel. It has retention cables, scratch-resistant springs and diffusing protection screen.

Installation:

Application to structural profiles of Minimal/Frame kind (ceiling/suspension). The 4 plastic counter springs make it possible to install the product either flush with the surface or 10 mm inside it with no tools.

Dimension:

1200x121 mm h = 85 mm

Colour:

White (01)|Grey (15)

Weight [Kg]:

3,2

Wiring:

The module has electronic control gear. The fast-coupling terminal boards make it possible to connect the product to the power-supply cables inside the profiles.

Notes:

Complete with diffusing protection screen

Complies with EN605981 and pertinent regulations
