## LB XS pendant HC - 4 cells - Wide Flood beam - integrated driver

## Product code

Q870

## Technical description

Pendant luminaire with 4 optical elements for LED lamps, ideal for zenithal accent lighting. Despite the ultracompact size of the product, the patented technology of the optic system guarantees an efficient luminous flux and a high level of visual comfort. Metallised thermoplastic high definition Opti-Beam reflectors. Extruded aluminium body and die-cast zamak technical dissipation unit. Thermoplastic ceiling rose with shaped steel fixing plate. PVC power/pendant cable in the same colour as the external finish. The cable connection on the pendant body is fitted with a manual adjustment system that facilitates alignment. ON-OFF driver integrated in luminaire body.

Installation
Ceiling rose with surface fixing plate (screws and screw anchors not included)
