Module for continuous line - Frame Down - General Light - L 898

Product code
QA88

Technical description

Extruded aluminium intermediate profile - Frame version with contact frame; this allows continuous lines to be created with other intermediate profiles and an initial profile (required). Methacrylate opal screen for diffused general light; screen set up for connecting several lengths by overlapping.

Installation

This can be recessed using the brackets on the profile; the mechanical systems for connecting the subsequent profiles are included in the package.

Dimension (mm)

898x75x100

Colour

White (01)

Weight (Kg)

1.86

Mounting

ceiling recessed|ceiling pendant

Wiring

Set up to house the LED modules required by the system.

Notes

Take care with the system configuration. To make continuous lines of lighting, use the intermediate modules. To complete a continuous line correctly there must always be an initial module at the start or end of the composition.

Complies with EN60598-1 and pertinent regulations

IP20
