Specifications

Height: 11in / 28cm  
 Depth: 7in / 18cm  
 Width: 6in / 15cm  
 Weight: 5lb / 2.3kg  
 Max Wattage: 7w

Mounting Hardware: 5.75"x 4" Backplate  
 Materials: Machined brass, glass  
 Bulbs: Integrated 27V LED/7w/2700K/dimmable, transformer provided

Inspiration

The Catch Collection conveys that fluidity with a poetic vividness. Its globes, each with a unique and organic gourd-like contour, seem to drip with a languid intelligence, sometimes caught in a slender lasso of shiny metal, gently squeezed around the middle to gleam ever more warmly; other times slumping slowly down a sculptural block of malachite, brass or marble.
