

JACOBSEN

TABLE LAMP

240V	2x12W max	E27			INDOOR ONLY
------	--------------	-----	--	--	-------------

The unique stance of the Jacobsen legs are cut straight from the Modernist movement of the mid-century. Darkening the recently popular beech timber into a teak finish strengthens the lines of the classic stance. Topped with a matt metal shade. A strong, sharp finish that balances and frame the angular legs. The timber has a depth of grain. A bold and beautifully balanced occasional lamp.
