

### PRODUCT DESCRIPTION

Horizons, majesty, modernity, innovation...Metropolis, just as New York is reflected in the waters of the Hudson, the city that never sleeps, projected into infinity.

It rises geometrically, with futuristic airs even of science fiction, to transport us to different planes where the impossible is born, where design matures, where talent screams.

### SHIPPING INFORMATION

Number of Boxes: 1

Carton Length: 55cm

Carton Width: 40cm

Carton Height: 17cm

Gross weight: 3kg

### PRODUCT SPECIFICATIONS

Material: Steel

Dimensions: 33cmW  
42cmH  
11cm/

Colors available: Black, White and Gold. Ask for more available finishes

Weight: 1,2kg

Number of lights: 2 (LED included)

LED type: 12W 2700K 1210LM CRI>90
