## HECTOR FINCH

LIGHTING

### OPAL CLAW GLOBE

This design started life as a gem of an idea from a client combined with Hector's love of Art Deco. The monk's cap fittings inside the globe holds the glass on to the claw and rod.

It makes a striking addition to hallways, sitting rooms and larger spaces such as lofts and is supplied with a bespoke length rod.

For more information on an IP rated version for bathroom use please contact the showroom.

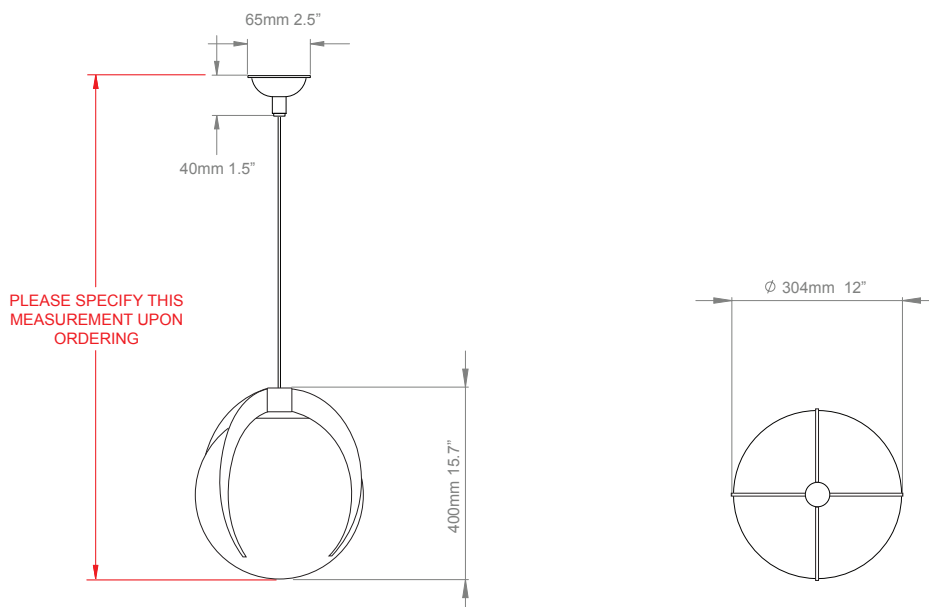

Shown here in Polished Brass.
