Chlorophilia 2 - App Compatible

IP20 (<u>↓</u>) c€

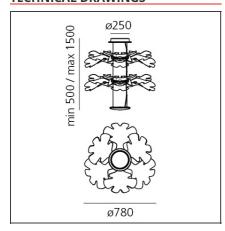

DESIGN BY

Ross Lovegrove

DESCRIPTION

Chlorophilia, presented in 2015, define an optical and compositive principle which could be repeated multiplying the elements to create compositions, which develop in space on multiple levels or widen in lenght. Chlorophilia 2 doubles the transparent surface on two levels supporting even more the scenic presence of this suspension. Chlorophilia is a new project by Ross Lovegrove, who highlights once again the skill of Artemide in the light engine of the lighting body through his signature approach to organic and fluid forms. It is a highly scenic, yet light suspension appliance that, when switched on, unveils a contrast of delicate shades interacting with space and completing it. Its body contains a LED COB that works as a heatsink, as well as light phytomorphic elements made of moulded technopolymer, which combine the gently wavy texture with an uneven section that works as an optical lens. The suspended central body emits indirect light, which is filtered and refracted by three clear surfaces, whose natural shape recalls natural elements, leaves. These three elements are arranged in a sunburst display and partly overlapped to multiply the shadow contrast, thus generating a scenic effect on the ceiling, however combined with appropriate ambient lighting. Chlorophilia defines an optical and building principle, which can be reproduced by multiplying its elements to create compositions that develop on multiple levels in space or whose width is expanded. "An installation of optical leaves conceived as a fusion of natural and artificial geometries. The light becomes interactive through caustic projection onto the ceiling creating a delicate and feminine ethereal space expanding effect." Ross Lovegrove

TECHNICAL DRAWINGS

FEATURES

,			
Article Code:	1628110app	Material:	Methacrylate,
Colour:	Chrome		technopolymer,
Installation:	Suspension		aluminium
Environment:	Indoor	Series:	Design
		Emission:	Indirect
DIMENSIONS			

DIMENSIONS

 Height:
 cm 66
 Glow Wire Test:
 750

 Base Diameter:
 cm 25

cm 150

INCLUDED SOURCES

Max Height from ceiling:

Category: LED Color temperature (K): 3000K Number: **Color Tolerance:** MacAdam 2SDCM Watt: 37W CRI: Delivered lumens output (lm):3899lm **Efficacy:** 107lm/W Service Life: 50000-L70 Type: 0 Class: Α

LUMINAIRE

 Watt:
 44W
 Delivered lumens output (Im):3146Im

 Voltage:
 220-240V
 CCT:
 3000K

 Efficiency:
 81%

 Efficacy:
 71Im/W

 CRI:
 90
