Discovery Vertical 140 - App Compatible

IP20 Dimmerable: + −

DESIGN BY

Ernesto Gismondi

DESCRIPTION

Discovery is an unobtrusive, utterly absent and immaterial element. Its volume is only perceived when switched on, thanks to the light that outlines the central emitting surface. The result is a uniform light, ideal for working environments. The company's great optoelectronic skills, combined with a thorough culture of design and with technological know-how, produces a perfectly all-purpose and surprising solution, which translates innovation into emotional perception.
