

Meteorite 15 Mini Wall/Ceiling LED

IP20  

DESIGN BY

Pio & Tito Toso

DESCRIPTION

"Meteorite originates from the pursuit of a new sensibility, a new expressive language for lighting blown-glass. The starting point was our fancy for Venetian "beaten" glass, for the grinding effect, and for the strong charm of the "unfinished" feel that such kind of process brings to glass. We designed a special glass-blowing and grinding process, which allows to obtain impressive lighting depth in the illuminated object, and to make this beauty accessible or - we might say - democratic." Pio e Tito Toso. A family of lamps comprised of four different types, with a double-layer artistic glass diffuser obtained by means of the craft still glass blow moulding technique followed by frosting.

TECHNICAL DRAWINGS

FEATURES

Article Code:	1707010A	Material:	Blown glass, aluminum
Colour:	white	Series:	Design
Installation:	Wall, Ceiling		

DIMENSIONS

Height:	cm 10	Glow Wire Test:	850
Base Diameter:	cm 11		

INCLUDED SOURCES

Category:	LED	Color temperature (K):	3000K
Number:	1	CRI:	90
Watt:	8 W	Efficacy:	36lm/W
Delivered lumens output (lm):	285		
Type:	0		
Class:	A		

LUMINAIRE

Watt:	8W	Delivered lumens output (lm):	285lm
Voltage:	230V	CCT:	3000K
		Efficiency:	44%
		Efficacy:	36lm/W
		CRI:	90
