

nh1217

IP20   

DESIGN BY

Neri&Hu

DESCRIPTION

nh is a simple, versatile, practical appliance that can be laid or suspended. A white blown glass sphere slides along a brushed brass ring, which allows it to take different positions and to freely adjust and direct the diffuser. The frame becomes a support, a hook to hang the appliance to the wall, or a handle promoting an interaction with light. nh continues research on the dynamic interaction of experience, details, materials, form, and light that Neri&Hu are pursuing with Artemide. The selected materials represent a perfect combination of tradition and innovation, as well as the expression of responsible and sustainable design, also conveyed by the use of an in-box low-consumption retrofit LED source and by the eco-friendly cardboard packaging.

TECHNICAL DRAWINGS

FEATURES

Article Code:	1217010A	Material:	Blown glass, brushed brass
Colour:	Brass	Series:	Design, 2018
Installation:	Table		Artemide Collection
Environment:	Indoor		

DIMENSIONS

Length:	cm 32
Base Length:	cm 17
Base Width:	cm 5

SOURCES NOT INCLUDED

Category:	LED	Color temperature (K):	3000K
Number:	1		
Watt:	5W		
Type:	2		
Socket:	E14		
Class:	A		

LUMINAIRE

Watt:	Max 5W	Delivered lumens output (lm):	257lm
Voltage:	220-240V	CCT:	3000K
		Efficiency:	80%
		Efficacy:	64lm/W
		CRI:	80

Notes

Maximum bulb length: 80mm. Maximum bulb diameter: 50mm
