

Una Pro Wall/ceiling - 9 LED 20° 3700K

IP20 

DESIGN BY

Carlotta de Bevilacqua

DESCRIPTION

UNA PRO is the result of a new design approach. The objective was to obtain the same high performance of a halogen spotlight from a LED one, but at the same time the classic spotlight icon was brought up for discussion. Thanks to new significant technological innovation, the old concept had to be reinvented and so did the looks and main features of an entire category of luminaries. Important purposes were also energy and material saving and light duration. Due to innovative research and a well-proven expertise, the spotlight system performance is the same as that of previous halogen systems but the overall performance achieved is much better. In fact, the energy consumption of these spotlights is low, the user's relationship with the environment is revolutionary, his interaction with it is free and creative. In addition the the light fixture appears thin due to the flat profile (only 3 mm).

TECHNICAL DRAWINGS

FEATURES

Article Code:	DD0014B00A2	Material:	Aluminium, plastic
Colour:	Aluminium	Series:	Indoor
Installation:	Track, Recessed, Wall, Ceiling		
Environment:	Indoor		

DIMENSIONS

Height:	cm 15
Weight:	kg 0.7
Base Diameter:	cm 10
Max Extension Height:	cm 28

INCLUDED SOURCES

Category:	LED	Color temperature (K):	3700K
Number:	1		
Watt:	10,5W		
Type:	0		
Class:	A		

LUMINAIRE

Watt:	10,5W	Delivered lumens output (lm):	622lm
		CCT:	3700K
		CRI:	80
