## SPECIFICATION SHEET

|                   |                               |
|-------------------|-------------------------------|
| Item no.          | 107358                        |
| Item description  | Wall Lamp Primo S zinc finish |
| Category          | Lighting                      |
| Type              | Wall lamps                    |
| Country of origin | India                         |

### ITEM MEASUREMENTS

|                    |                            |
|--------------------|----------------------------|
| Dimensions (cm)    | 17 x H. 33 x D. 13 cm      |
| Dimensions (inch)  | 6.69" x 12.99" H x 5.12" D |
| Wire length (cm)   | 24                         |
| Wire length (inch) | 9,45                       |
| Net weight (kg)    | 2                          |

Dimensions are indicated as follows: A = width | B = depth | C = height

### SPECIFICATIONS

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Material(s)            | Stainless steel   Glass                                     |
| Finish(es)/colour(s)   | Zinc finish   clear glass                                   |
| Suitable for           | Indoor use/dry locations only                               |
| Lamp holder type   qty | E27   1                                                     |
| Switch                 | No                                                          |
| Dimmer                 | Dimmable, dimmer not included                               |
| Wire type              | 2 core double insulated + earth wire (0,75mm <sup>2</sup> ) |
| Grounding option       | Yes                                                         |
| Plug type              | Not applicable                                              |
| Light source           | Not included                                                |
| Max. wattage           | 40 watt                                                     |
| Voltage                | 220 - 240 Volt                                              |
| CE test certificate    | Pass 2018                                                   |
| Stainless steel grade  | SAE 204                                                     |

### PACKAGE INFORMATION (MTR/KG)

|                      |                      |
|----------------------|----------------------|
| Package measurements | 0,245 x 0,205 x 0,42 |
| Volume               | 0,0211               |
| Gross weight (kg)    | 2,40                 |
