ASSEMBLY INSTRUCTION

1

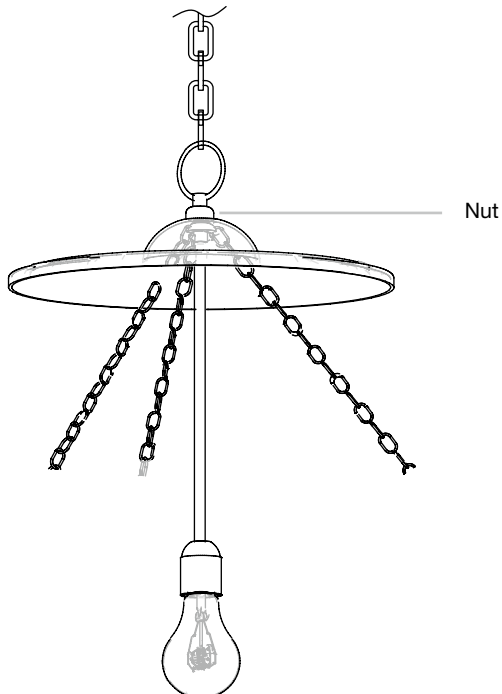

Turn off the electricity supply at the main circuit panel before installing. Do not connect the electricity supply until your luminaire is fully assembled and installed. Hang the luminaire from your ceiling hook and connect the wires. Slide the canopy upwards until it touches the ceiling and fasten it with the screw.

2

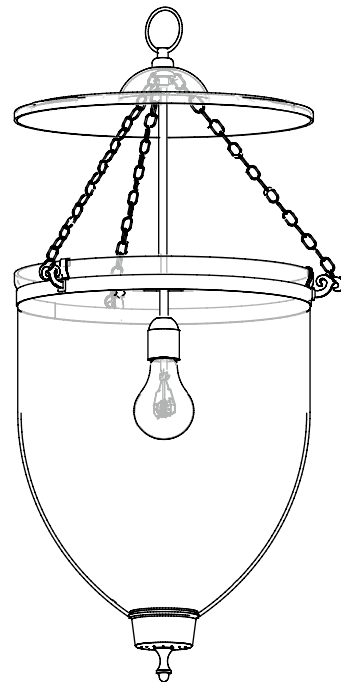

3

Ease the glass plate down as far as possible and fasten it with the nut by turning the nut clock wise. Prevent putting pressure on the glass by not tightening the nut too far.

4

CARE INSTRUCTION

Wipe clean with soft, dry cloth.
Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the fixture's finish.

Remove the glass and the brass ring from the carton. Bend the brass lips up so you can slide the brass ring over the glass until it cannot go any further. Bend the brass lips over the glass. Hang the glass from the 3 chains.
