

## FORT KNOX BASIC CEILING

|                   |                  |
|-------------------|------------------|
| Number of heads   | 1                |
| Mounting          | Ceiling surface  |
| Lamps description | QT-14 G9 Max 40W |
| Voltage (V)       | 220/240          |
| Environment       | Indoor           |

### OPTICAL

|                              |                              |
|------------------------------|------------------------------|
| Light controller description | Protection glass             |
| Reflector finish             | Spun, vacuum-plated aluminum |
| Aiming                       | Adjustable                   |
| Light distribution symmetry  | Symmetric                    |
| Beam angle                   | 89°                          |

### ELECTRICAL

|                  |         |
|------------------|---------|
| Emergency        | Without |
| Insulation class | Class I |

### PHYSICAL

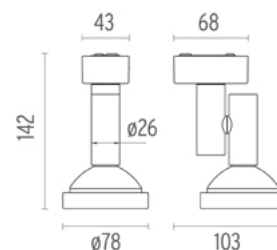

|                       |                   |
|-----------------------|-------------------|
| Height (mm)           | 142               |
| Spot diameter (mm)    | 78                |
| Construction material | Die-cast aluminum |
| Weight (kg)           | 0,22              |

**Fort Knox Basic Ceiling**  
designed by Philippe Starck

Spotlight with main voltage light source to be installed on ceiling/wall

|            |                    |
|------------|--------------------|
| ● F2480009 | White              |
| ● F2480050 | Polished aluminium |
| ● F2480030 | Black              |
