# Atlas Box Single & Double
Surface Mounted

DOXIS
LIGHTING FACTORY

☒ CE ⏚ IP20

Instructions:
1. Pull power cable through and place mounting plate against ceiling
2. Connect 230V to connector inside the box
3. Place luminaire over the mounting plate so that it is flush against the ceiling
4. Slide the box sideways so that it fixates to the mounting plate

Forward voltages and nominal drive currents are mentioned on the label supplied with the product or can be found in the technical datasheet of the product.
Always use the correct driver.
Always install the driver according to the wiring schematics supplied with the driver.
**Always check if multi-current drivers are set to the correct output current.**

**Doxis Lighting Factory cannot be held responsible for damage caused by using the wrong driver.**

Connect 230V
