Type: suspension EEL: A

Lamps*: e06015 30W 12V HAGS GU5,3 or LED SPOT 12V GU 5,3
e06025 30W 12V HAGS GU5,3 or LED SPOT 12V GU 5.3

Product use: indoor

Materials: aluminium extrusion cylindrical body

Colors: white, polished, anthracite

Description: A family of adjustable fixtures with cylindrical housings. Two possible installation modes, on the ceiling or on a track, and two different diameters: 70 and 45 mm. Light can be directed where it is needed. The jointed form makes for intuitive use, generating an intriguing architectural image.

Insulation class:    **IP20**
