

SOLEIL NOIR

Design Odile Decq

**LUCE
PLAN**

Type:	Suspension
Light Source:	LED 35W ^(*) 3000K CRI 80 1728 lm push dimmer/DALI
Product use:	Indoor
Materials:	molded polyurethane foam
Colors:	white, black
Description:	Supported by a single asymmetrical cable, the lamp keeps its balance thanks to the thicknesses of the body, varying from 8 to 25 mm, offering a slim aerial lighting element that brings brightness with discretion and elegance. An object that defies the laws of physics, thanks to technology that permits design bordering on the impossible.

weight 6,50 Kg
