

GRAVITY

GRAVITY is the new magnetic system of FLEX collection. A versatile and distinctive galaxy of graphic elements capable of enhancing any environment and providing a focal lighting effect. Installed magnetically with a mechanical extra security feature. Offered for trimless, ceiling and pendant mounting, linear units use a 48V power supply and allow the integration of multiple solutions, installed through magnetic and mechanical fixing, meeting different interior needs. Adjustable spots emphasise any setting due to maximum flexibility and the anti-glare retracted lens for accent or diffuse lighting. Linear modules are proposed with an opal screen for homogeneous and welcoming lighting. For high visual comfort and optimal glare control over the entire surface, the system is completed by UGR<19 units: recessed or fold, respectively for direct or adjustable light emission. GRAVITY can be installed individually or in multiple configurations, creating geometric figures with 90° angles.

SPOT 3W | 2700K - 38°

LAMPING

Source	LED
Total power	3W
Emission	orientable
Switching	DALI
Tension	48V
Color temperature	2700K
Luminous flux	175lm
Typ CRI	90
IP class	20
Dimensions	ø2,5x18,4x10,6
Materials	Aluminium + polycarbonate
Notes	driver, track and accessories not included
Net lamp weight	0,1 kg
