The floor stands of the SQUARE series, which are available in three different heights, are made from stainless steel 316 and an opal acrylic cube which contains the built-in LED light source. It is suitable for use outdoors thanks to its IP44 protection class. The electrical connection is made directly to the 230V mains supply. The SQUARE series also includes ceiling and wall lights and can therefore be used universally. For simplified mounting, an earth spike and concrete anchor set are optionally available. This luminaire is compatible with bulbs in energy classes: A - A++
