Light distribution type 2	rotational symmetric
Material	Plaster/steel

With the PLASTRA LED plaster light, you have a highly-individual wall light with a puristic design. The surface-mounted wall light comes fitted with a warm-white 240V LED and is ready for direct connection to the 230V mains supply. The sandpaper included as part of the delivery is used to clean the surfaces. The light can be individually customised with paint, wallpaper and stickers.
