SLV LIPA robust, water-protected surface-mounted solution. Round wall and ceiling light made from aluminium. Thanks to its IP54 protection class it is suitable for outdoor use. The opal illuminated area has an LED light source beneath it which can be switched between warm and cool white, and is enclosed by the painted housing. The luminaire comes in several colour versions and is connected directly to the 230V mains supply thanks to its built-in LED driver.
