The high-quality MEDO ceiling light impresses with its clear design form and the elegant contrast between the aluminium and plastic materials which have been used. There is also a coronal light outlet on the rear of the luminaire. The luminaire is available in black, white, and silver grey. The integrated Premium LED provides a pleasant lighting effect, and the built-in dimmable DALI LED driver makes it possible to connect directly to a 230V mains power supply. Using the appropriate accessories, this ceiling light can be converted into a pendant luminaire. The light colour can be switched between 3000 and 4000K.
