

VARU QPAR51 DL

outdoor recessed ceiling light, black, IP20/65

Article number	1001930
Feed-in capability	No
Lampholder / Socket	GU10
Number of light sources	1
Lamp included	No
Installation diameter	7.5 cm
Installation depth	8 cm
Height	8 cm
Diameter	10 cm
Net weight	0.214 kg
Gross weight	0.267 kg
Max. wattage	5 Watt
Protection class	II
IP-rating	IP 20
Material	Aluminium/glass
Colour	black
Energy efficiency class	A++
Lamp	LED GU10 51mm
Light distribution type 1	direct

The innovative VARU recessed fitting impresses with its high IP65 protection class. The downlights can therefore also be used outdoors as well as in rooms with high humidity. The VARU series is available in several colours and with powerful, warm-white LEDs or a GU10 socket. The electrical connection of the version with a GU10 socket is made to the 230V mains power supply. An additional LED driver is required for the LED versions.
