With their timeless and discreet design, the LIPSY DOME series of wall and ceiling lights are a popular lighting solution for a wide range of applications. The steel and acrylic glass luminaires come in a variety of housing sizes. The wide beam characteristic creates homogeneous lighting in combination with the powerful LED module. The built-in driver makes direct connection to a 230V mains voltage supply possible. The light colour of the product can be switched between 3000K and 4000K.
