The PARA DOME pendant has been designed for the technical, industrial area which is reflected both in its shape and its lighting technical attributes. The luminaire is fitted with an E27 lamp holder to take matching conventional and energy-saving lamps. We also offer suitable LED alternatives and mixed-light lamps. Designed for total power consumption of 150W, the PARA DOME is perfect for use as general lighting and is available painted in silver-grey, black or white. The luminaire can be adjusted exactly in accordance with requirements via the reflectors, which are available separately. The PARA DOME pendant is ready for direct connection to the 230V mains voltage supply. This luminaire is compatible with bulbs in energy classes: E - A++
