

ONE BOW FL

**Free-standing lamp white 20 W 1200/1200 lm
2700/3000 K CRI 90 140°**

Ideal for the hotel trade, catering and smaller shops: the ONE BOW FL elegantly combines flawless design and high-quality lighting. The circular lamp head emits its 1200 / 1200 lumen dimmable light in an upward and downward direction and features an adjustable colour temperature (2700/3000 K). A CRI of over 90 ensures natural colour rendering, while the beam angle of 140 degrees evenly illuminates the surrounding area. And the LED service life of 50,000 hours is also exceptionally generous.
