By means of its special design and the low installation diameter, the aluminium and acrylic-made wall luminaire AITES LED ROUND is suitable for installation in wall boxes. The incorporated Power LED provides the necessary illumination intensity. Available with an either white or silver coloured cover it includes a suitable connection lead. A suitable constant current driver providing 350mA is required for operation. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
