Remark 1	Energy labels in your language are available in the Service Area sub point Download
Suitable for lamps from EEC	E
Suitable for lamps up to EEC	A++
Light distribution type 1	direct
Light distribution type 3	rotationally symmetric

The square shaped high-voltage downlight ROW GU10 is made from aluminum and is available in white or silvergrey colour finish. The generously chosen rotation and tilt range guarantees the individual orientation of light, whether you use halogen or LED retrofit lamps. The ROW GU10 downlight is supplied ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: E - A++
