Our TWISTER downlight series is the individual recessed set for shops and exhibitions. The TWISTER downlight set is a combination containing a white single frame, a chrome-plated CMH downlight module, a suitable ballast for 35W bulbs with GU6.5 socket and a connection lead measuring 100 cm. The adjustable lampholder guarantees individual orientation of light. The downlight set is supplied ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: A - A+
