Light distribution
type 3

rotationally symmetric

The square high-voltage version of our NEW TRIA downlight series is available in either matt white, matt black or brushed aluminum colour version. The generously chosen rotation and tilt range guarantees the individual orientation of light, whether you choose standard halogen or LED retrofit lamps. Specifically designed for ceiling outlets measuring 68mm accross, the NEW TRIA downlight is supplied ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: E - A++
