Available in two sizes, the RGB MASTER variation of the popular LIPSY ceiling light enables colour control via radio remote, as well as an expansion of corresponding RGB SLAVE variations. Further, it can also be combined with all other articles in the Color Control Series. The luminaire features a cover made of acrylic glass which is fastened to a steel mounting bracket. Thanks to its built-in power supply, the LIPSY ceiling light comes ready for direct connection to 230V electrical mains. Expandable with slave variations 133748, and 133758.
