ranking	400
Catalogue page	BIG WHITE 2017: 175

Made of aluminium and steel, dimmable AIR INDI DISPLAY Luminaires are available in the trendy colours brass, white, and black; they are perfect for illuminating pictures, or as display lighting, and thanks to their modern design they are predestined for use in private spaces as well as in hotels, and galleries. The wall light is distinguished by a simple, discreet design, combined with energy efficient lighting technology. The installed driver allows it to be connected directly to the 230V mains supply.
