Suitable for lamps up to EEC	A++
Light distribution type 1	direct

LED display luminaire for wall and ceiling installation of our IVED GOOSE series where cover and lamp head are connected via a flexible arm. The incorporated Power LED and the switch make it suitable for many different applications. Available in different light colours, the electrical connection is made directly to 230V mains supply via the incorporated LED driver. We alternatively offer a version for wall and ceiling installation. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
