The puristic design of KALU FLOOR is a guarantor for absolutely individual alignment of lamp heads, optionally equipped with QRB halogen or suitable LED lamps. Equipped with soft-start function, the incorporated electronic transformer protects the bulbs from potential damage from overvoltage. Available in brushed aluminum colour, KALU FLOOR is supplied ready for direct connection to 230V mains supply. A foot-switch is integrated within the connection lead. This luminaire is compatible with bulbs of the energy classes: D - A+
